Direct-Entry-Scheme to Polytechnic Programme (DPP)

- **ELMAB3 aggregate of 19 points or less** (excluding CCA bonus points) and meet subject-specific Minimum Entry Requirements. Must attain a **min grade of 4 in both EL and MA.**
- Students accepted into the DPP will enrol into Higher Nitec courses at ITE, and are subsequently guaranteed a place in a polytechnic diploma course mapped to their Higher Nitec, subject to them meeting the Grade Point Average (GPA) requirements.
- Successful applicants will be required to attend a 10-week preparatory course prior to commencing their Higher Nitec courses.

Polytechnic Foundation Programme (PFP)

- **ELMAB3 aggregate of 11 points or less** (excluding CCA bonus points) and meet subject-specific Minimum Entry Requirements. Must attained **Grade 3 or better in all subjects used in the computation of ELMAB3.**
- The PFP is a diploma-specific foundation programme conducted over two academic semesters at the polytechnic by polytechnic staff.
- Following the release of the GCE O-Level results in January, eligible students will be invited to apply for the PFP.

For students who are only interested in the PFP

- You should progress to Sec 5, and apply for the PFP in January. Students who have accepted their PFP offers will withdraw from Sec 5 by the end of January.
- All PFP-bound students are required to attend classes up till the last Friday of January 2018.
- Being eligible to apply for the PFP **does not guarantee a successful** placement into a PFP course.

For students who are only interested in the DPP

- You should apply to the DPP once you receive your N(A)-Level results in December.
- Should you accept a DPP offer, you should not return to the secondary schools for Sec 5N(A).

For students who are uncertain and/or interested in both PFP and DPP:

- If you are certain that you do not want to continue with Sec 5 and pursue the GCE O-Levels, you may apply for the DPP once they receive their N(A)-Level results in December.
- Should you accept a DPP offer, you should not return to school for Sec 5N(A). Upon the release of the GCE O-Level results in January, you may apply for the PFP. If you are offered and accept a PFP place, you will withdraw from the DPP.

For students who are uncertain and/or interested in both PFP and DPP

Alternatively,

- You may progress to Sec 5 first. Upon release of the GCE O-Level results in January, you may then apply for the PFP and DPP concurrently.
- If your application is successful, you will withdraw from Sec 5N(A) by the end of January.

ITE Certification System
