Dear Parents/Guardians

Welcome back to Term 3! In Greenridge Secondary School, we value your partnership in our effort to develop our students holistically through a range of enriching educational experiences. As we begin Term 3, we would like to share more information that will be useful for you in supporting your child/ward.

Secondary 4/5 National Oral Examinations and School Preliminary Examinations

In Term 3, our graduating students will be sitting for the national English Language and Mother Tongue Languages oral examinations as well as our school's preliminary examinations. We wish them strength in their hearts and minds as they work intensively on their preparations and sit for these examinations.

We would also like to encourage you to continue to provide your child/ward emotional support at this important stage. Please feel free to contact your child/ward's Form Teachers should you require more information on your child/ward's progress and further advice on how to support him/her.

Home-Based Learning Day (4 July 2019)

2. To equip our Greenridgeans with the competencies to use ICT to enhance their learning, we will be conducting our Home-Based Learning (HBL) Day for Secondary 1 and 3 students on Thursday, 4 July 2019 (0750h to 1440h). HBL Day also aims to:

- develop our Greenridgeans to be responsible digital learners who can regulate their online behaviour and conduct themselves appropriately
- prepare our Greenridgeans to continue with their learning online should there be an emergency school closure

On HBL Day, students will not be reporting to school as they will be at home to access and complete their learning activities via the Student Learning Space (SLS). The school will be monitoring the students' attendance online. The timetable for our HBL Day is attached to this letter in Annex B for your reference.

To prepare your child / ward for HBL Day, the school has conducted a HBL trial exercise from 31 May to 1 July 2019. In this trial exercise, your child/ward has been informed to complete lessons in SLS. If your child does not have access to a computing device with internet connection at home, please notify your child's Form Teachers by 2 July 2019 so that the school can provide alternative arrangements to facilitate his/her learning on HBL Day. If your child/ward encounters technical difficulties during HBL Day, he/she should contact his/her Form Teachers or Subject Teachers for assistance.

Secondary 2 Outdoor Adventure Camp @ Sarimbun Scout Campsite (3-5 July 2019)

3. For this year's camp, our Secondary 2 students will have the opportunity to engage in outdoor challenge to further cultivate our school's PRIDE values and develop themselves as dynamic thinkers and inspiring leaders in an authentic, real-life setting. During the period of the camp, you can be assured that their child/ward will be in the care of our Key Personnel, their Form Teachers and qualified instructors.

Our Secondary 2 Outdoor Adventure Camp is also a prelude to the MOE-OBS Camp Challenge that our students will be going through next year. The MOE-OBS Camp Challenge aims to further cultivate mental and emotional resilience as well as physical fitness in our students through outdoor activities and the experience of working with peers from other schools.
