One of the main highlights of this trip, which we were enthusiastically looking forward to, was to perform in one of the world's famous theme parks, Hong Kong Disneyland.

On subsequent days, we attended a number of instrumental master-classes which were conducted by renowned musicians. We also engaged in a meaningful musical and cultural exchange with the lovely students of Fangling Lutheran Secondary School.

Besides participating in the festival, the band also visited numerous places of interest which provide an enriching learning experience for the band members.
