

Gao Xin No.2 School Visit

28 January & 4 August 2011

Gao Xin No. 2 School from China Xi'an was established in 2006. On 28 January 2011, a group of students led by principal, Mr Gao Yang Jie, together with another two senior teachers, visited Greenridge Secondary School to kick start the exchange programme for their staff and students.

On 4 August 2011, another group of students comprising 23 students from primary school and 13 students from secondary school visited Greenridge Secondary School to understand and experience the Singapore school system.

A day tour around the Greenridge Secondary School compound was led by our student councilors. They toured special rooms such as the Performing Arts Hub, computer laboratories, Science Laboratories, 'Scene One' Studio, Heritage Room and Energy Learning Hub.

The visitors also experienced classroom learning together with our students.

Through this opportunity, our students and teachers gained a better understanding of our counterparts from China and this in turn fostered a valuable learning exchange relationship.
